THE SUMMER SESSION AT MARY WASHINGTON COLLEGE

The Summer Session is designed for the interests and educational needs of many students. The three-week May term is designed for any student who attends a college that operates on an early semester plan. Classes normally meet for three hours a day, five days a week. In this session, a student may earn three or four semester credits and still be free for employment and for vacation in June, July, and August.

The June and July terms, each of which is four weeks long, can meet the needs of college students and adult learners. Courses are offered throughout the day and in the evening. Daytime classes in the June and/or July terms normally meet for two hours a day, five days a week. Most evening classes in these two sessions meet for two and one-half hours Monday through Thursday. Some evening classes, however, meet for two and one-half hours, twice a week, for seven or eight weeks. It is possible to receive six or seven credits in each of these two terms. All together, that is in the May, June and July terms, a student can earn 15 or 16 credits, which is equivalent to a full semester of course work.

Qualified rising high school seniors may wish get a taste of college work by selecting a course or two offered in the July term. School teachers may wish also to expand their learning during the July term or by taking late afternoon and evening courses in the May and June terms.

Finally, there are workshops designed for specific purposes and for specific people. The Summer Session has something for everyone. Enroll now and be ready for classes when they begin.

THE HONOR SYSTEM
AT
MARY WASHINGTON COLLEGE
(Prepared by the Honor Council)

The Honor Code at Mary Washington College serves to provide mutual trust between the students, the faculty, and the administration. The Honor System functions as the primary unifying force to promote and maintain the atmosphere of freedom and trust that is essential to intellectual growth and maturity. The students at Mary Washington feel that an operative Honor Code contributes to this atmosphere by assuring that courses of study are pursued independently and freely to each student's satisfaction. The perpetuation of the Honor System relies upon the interaction of each student in his/her support of the System.

The Honor Code is founded upon certain assumptions and premises which every student must fully understand in order to actively support the System. Our system is based on a strong belief in the necessity of the fundamental honesty and integrity of each member of the college community. The student's integrity is the very spirit of our way of life at Mary Washington College.

Each student must realize that by accepting admission to Mary Washington he/she has acknowledged his/her obligation of commitment to the provisions of the Honor Code. Upon matriculation at the College, each student is counseled on both the ideas and the specifics behind the Honor System. Following counseling, each student must sign an Honor Pledge card, thus endorsing a code which prohibits lying, cheating, and stealing. It is only with this acceptance of the code that a student is considered to be an actual member of the community.

In keeping with the belief in the integrity of all students here, the Honor System also assumes that an accused person is innocent until proven guilty. It is necessary that an accusation against a student be made by another student, a teacher, or College official before any action can be taken by the Honor Council. The Honor Council, composed of eight elected representatives and an elected president, is responsible for interpreting the Honor Code and for seeing that no student is found guilty without a fair hearing. This council is convened only at the request of the student accused of the violation. It has no investigative powers at all; these rest completely with the accuser.

The Honor System at Mary Washington recognizes that the student is a mature person who is responsible for his/her own actions. It does not function solely as a system of rules and regulations but complements the academic environment. The idea of having an Honor System originated with the students; likewise, the enforcement and continuation of the system is in the students' hands.

The benefits of the Honor System are many. The feeling of trust among students, teachers, and College officials contributes greatly to the amount of freedom extended to each individual. One's word of honor is accepted as such. Instructors often give take-home tests, and tests and exams are unproctored. Students are free to browse leisurely in the bookstore and in the stacks of the library. As in any atmosphere of freedom, there is also present the need for responsible action to protect that freedom. An active awareness of this responsibility contributes to the maintenance of the spirit of the Honor System, making it more than just a cherished tradition or ideal. It is, indeed, a life force within the community, an integral aspect of Mary Washington College.

Note: All students who are new to Mary Washington College should read carefully the information about the Honor Code at the College. The Honor Pledge must be signed and returned with the application materials. GRADES WILL BE WITHHELD UNTIL THE HONOR PLEDGE IS SIGNED AND ON FILE AT THE COLLEGE.

ADMISSION AND REGISTRATION INSTRUCTIONS FOR STUDENTS ATTENDING THE 1984 SUMMER SESSION AT MARY WASHINGTON COLLEGE

A student must be admitted to the Summer Session at Mary Washington College before he or she may register for classes and reserve college housing. Forms are enclosed which, when completed and appropriate fees have been paid, will accomplish these requirements. The forms included are the Summer Session Application (complete both sides), the Virginia In-State Tuition Form (complete both sides) if you wish to claim Virginia domicile for reduced tuition purposes, the Registration and Fees Sheet, and the Housing Application, if needed. These forms can be completed either by mail or in person.

Questions regarding any of the following procedures should be addressed to the Director of the Summer Session, Office of Academic Services, Mary Washington College, Fredericksburg, Virginia 22401, or by calling (703) 899-4694.

Registration by mail. A student registering by mail must complete all of the enclosed forms that are appropriate and pay all fees when the forms are returned. Materials for the May term must be received by May 9, for the June term by May 30, and for the July term by June 27. All information requested on the forms must be provided in the appropriate spaces. Failure to complete all forms will delay the enrollment process. Time permitting, a student will be mailed a listing of the course(s) for which he or she is enrolled. No letter of acceptance will be mailed. Istructions for completing the Registration and Fees Sheet are provided below.

On-Campus Registration. A student may register in person from 4:00 - 7:00 p.m. on the following Mondays: May 14, June 4, and July 2. The registration process will be facilitated if the student arrives with all forms completed.

A student who plans to take courses in more than one summer term may register for courses in other terms at the first appropriate registration date. This will eliminate the need to be present for subsequent registration periods. The registration process will be accelerated further if the student arrives with all forms completed. The student must be prepared to pay all fees at the time of registration. Instructions for completing the Registration and Fees Sheet are provided below.

Registration for Courses Taught at Special Times. The dates for these courses are shown in the course descriptions section of this bulletin. A student who plans to enroll for one or more should do so by mail or register on the first day of one of the regular terms. Students registering only for a course which begins after the first day of a regular summer term should register by mail or on the first day of the course at a time which does not interfere with class attendance. Instructions for completing the Registration and Fees Sheet are shown below.

Instructions for Completing the Registration and Fees Sheet. This form is divided into two sections. In Part I of the form, the student lists the courses he or she wishes to take, and, in Part II, costs are determined.

(EXAMPLE)

AS AN EXAMPLE, let's assume that you are an undergraduate student who wishes to take one course in the May term, two courses in the June term, are a Virginia resident, and will live in double-occupancy college housing. The following steps should be followed on the registration and Fees sheet.

1. Provide your name, social security number, etc. at the top of the form.

2. List on the line titled May Term the class desired. Place all course abbreviations and numbers on this line that are contained in the identical lines before the course title as shown in the Schedule of Courses (pages 11-14).

3. Repeat the process for the June Term by listing the courses you wish to take.

4. Add the number of credits for which you've registered and place the total in the box titled Total Credits.

5. In Part II, item 2, tuition and fee costs are determined. Multiply the number of credits for the May term (3) by $41 per credit for Virginia residents and place $123 in the column titled May Term. (Note that Virginia and Non-Virginia residence rates are shown both for undergraduate and graduate credits.)

6. Multiply the number of credits (6) for the June term by $41 per credit and place $246 in the column headed June Term.

7. Add the $123 and $246 and place $369 in the Subtotal column.

8. In item 3, room and board fees are determined. Place $294 in the May Term column and $392 in the June Term column. Add these amounts and place $686 in the Subtotal column.

9. Add the amounts shown in the Subtotal column which include the $15 application fee, $369 for tuition and fees, and $686 for room and board.

10. Place $1,070 in item 4 of the Grand Total box. Write a check for this amount payable to Mary Washington College and present it with the completed forms either by mail or in person at registration. Payment may also be made by credit card (VISA or MasterCard accepted).

Special Notes

1. Read carefully the information concerning the Honor Code at Mary Washington College and submit the appropriately signed Honor Pledge on the Summer Session Application.

2. All applicants who claim privileges based on Virginia domicile (one's legal abode) must complete the Virginia In-State Tuition Form and return it with the application.

3. Summer Session applicants who are currently enrolled in another college or university, applicants who intend to transfer the credits earned at Mary Washington College to another institution, and high school students who wish to enroll for Summer Session courses must have the appropriate official complete the approval statement on the reverse side of the application.

4. Please note that the procedures described herein pertain only to admission for the Summer Session. Should you wish to take courses during the regular college year, it will be necessary for you to complete the appropriate application materials with the Vice President for Admissions and Financial Aid.

5. No formal letter of acceptance will be mailed to the applicant. If additional material is needed before approval can be granted, the applicant will be so notified by the Director of the Summer Session.

6. Consult the 1984 Summer Session Calendar for deadline dates to add and drop courses without penalty.

7. Graduate students admitted to the MALS program are exempt from paying the $15 application fee.
